**Re: Extension of Executive Contract**

This letter is to confirm that your Chief of Staff Executive Employment Agreement will be extended until June 30, 2023.

There will be no changes to the employment contract as outlined in the June 23, 2017 agreement.

As discussed based upon your suggestion, given that a robust recruitment for a new Chief of Staff is on-going, should a new Chief of Staff be available to begin work full-time during the term of this extension, the Board would advise you and negotiate an earlier end date to this extension.

On behalf of the Board of Directors, I would like to thank you for your past and continued leadership and dedication to Sault Area Hospital as the search continues for a new Chief of Staff and for your support in accepting an extension to your contract.

Sincerely,

Brent Rankin  
Chair, SAH Board of Directors

cc: Personnel File

I have read, understood and accepted the terms and conditions of employment as outlined above.
